

2010 Sign Rental Program

Evergreen offers a convenient, affordable and professional way for outings to recognize hole sponsors and vendors.

The sign frame measures 11"x17" and is made out of durable plastic with a metal stand. Once positioned in the ground, the signs stand 48 inches high and the non-glare plastic protects your message from the elements. Each sign can be customized with sponsor logos, event names or whatever you choose and printed in full color.

Twenty-seven signs are available for rent in any quantity to all outings at Evergreen on a first-reserved basis. All you have to do is send your sponsor logos and copy. Signs are printed in full color. Reservations for the signs can be made up to one year in advance, but must be made at least three weeks prior to your outing.

We'll do the work for you. You can have professional hole sponsor signs in three easy steps:

1. Call Bill to reserve your signs and get graphic requirements.
2. Fourteen days before your outing e-mail all sponsor logos and any text that you would like on your signs.
3. We will e-mail back samples of your signs for you to proof if you would like us to.

All of your sponsor signs will be on the golf course when you arrive for your outing.

Our signs are available for rent at a fraction of the cost of commercial sign makers and provide the professional appearance and recognition your sponsors deserve.

Call Bill at (262) 723-5722 for more information and to reserve your signs.
